READING

Cheung Yan is one of the most successful businesswoman in the world. She made billions of dollars.

How did she do this? Does she sell the computers? Does she sell the estate? No. She sells trash . In fact ,many people call her the Queen of trash.

Cheung Yan was born in china in 1957. Her family wasn't rich. When she was a young woman , she worked as an accountant. She saved money and moved to Hong Kong.

There, she became interested in the paper trash business. She and two partners started a company with a small amount of money. The company collected paper trash and sold it to paper mills.

In 1990, ,she and her husband moved to Los Angeles .There they found paper---tons of it. They drove their van to garbage dumps around Los Angeles .They collected the paper trash. Then they exported the trash to china where they recycled it and made cardboard ,a thick, stiff paper. They used the boxes to pack "Made in China" products ,such as toys ,electronics and clothing. They sent these products to the United States and Europe.
